Rowit All regatta entries must be made online using the rowIT entry system. Instructions for using this system are set out on page 2.

Entries open Monday 9 October 2017 and will close at 10.00pm Friday 27 October 2017.

Contact Please contact Regatta Secretary Robin Harrington (09) 446 3355 / (027) 27 255 0895 or email her if any queries.

Racing is scheduled to start at 8:00am.

Tent Sites Tent sites with good views of the course are limited at Lake Pupuke. We are offering to reserve 4 sites (6m x 8m approx) with unrestricted water views at a cost of \$172.50 (or \$150 plus GST) on a first received basis. If you wish to reserve a site then **please email the Regatta Secretary** and once confirmed direct credit our Bank Account.

Boat Park To ensure we can accommodate everyone comfortably within the limited space available in the boat park, spaces will be allocated to each Club based on the size of your squad etc. A map showing allocations will be displayed on the boat park gate area and emailed to Clubs before the event. **Please do not set up your tent until Saturday.** This will ensure ease of access for late comers and avoid the inconvenience of having to take your tent down to allow access. Avoid erecting you tent on access lanes and tree drip lines.

Please note there have been some changes to the race programme and there is a shorter time frame for scratchings and late entries.

We look forward to seeing you and your supporters on Saturday, 4th November for a successful day of racing. Until then, happy training and here's hoping for calm, sunny conditions!

rowIT Online Regatta Entry System: www.rowit.co.nz

All Auckland Clubs and Schools already have rowIT logins. You should contact Andrew Carr-Smith if your logins need updating and to make sure you have the set-up that suits your club or school.

As this is still the start of a new Season clubs may need to update their Roster before making entries.

- Rowers who have been entered in regattas previously are already recorded in the RowIT database.
- All new rowers must be in the rowIT system before you make your entries.

You can either add new rowers directly to the rowIT database. Or you can now add them to the RNZ database as unlicensed or licensed members of your club or school and then import them into rowIT.

New in 2015: rowIT now has the ability to provide dual recognition of both club and school. This can be used to supplement the identification of schools using one of the above methods. It is done during entries by recording both school and club for a crew. Details have been provided to rowIT logins holder by Andrew

For ease of identification of Clubs/Schools and clarity in billing seat fees we request Clubs/Schools enter under their own rowIT code. School crews that are entered under a club's code should use double-digit crew numbers for identification.

Crew numbers will be used for seeding crews into divisions. If you are using double-digit crew numbers the second digit is the important one. If you have a crew that is your only entry in an event but you wish to row it in an easier division (ability reasons only please!) then it allocate a higher crew number e.g. AKLC 2, WESC 22, etc.

Composite Crews may be entered through rowIT. This is achieved by linking with another entity and bringing their athletes into your squad (then selecting a crew mix of those athletes and your own athletes). Composite crews will be identified as belonging to the entity that enters the crew e.g. a crew entered by North Shore will be a north Shore composite.

Tent site requests These will be allocated outside the rowIT regatta entry system (see page 1)

Entries Crews will be able to be entered into the rowIT regatta entry system based on this timing
