2. **Regatta Venue:** The regatta shall be held at the Mighty River Domain, 601 Maungatautari Road, Lake Karapiro, Cambridge.

(as provided for in Rule 6.1) in these conditions or by the Race Committee in exceptional circumstances on the day, and then only in the interests of safety and/or fair competition. Further: this regatta shall be conducted in strict accordance with the Rowing NZ Training Safety Code and the Rowing New Zealand Competition Safety Code (Rule 6.2), of which the contents and intent take precedent over all other documents.
5. **Distance of Races:** The Distance of all races except adaptive races shall be 2000m. Adaptive and Masters rowing events shall be raced over 1000m.
6. **Course Description:** All races will be held on a buoyed 9 wire, 8 lane, straight course with a held start. The water for all intents and purposes is to be considered as still and without flow. Lane 1 shall be closest to the Judges Tower.
7. **Minimum Number of Entries:** If, at the close of entries there are less than 4 entries in any event, the event shall be withdrawn from the program.
8. **Qualification System:** In the situation where there are more entries than places in the Final, a qualification system shall be used to determine the Finalists for the Finals. The Qualification system will be a modified FISA system (based on placings) and may include qualification based wholly or partially on times. Time trials may be used to make up time should the regatta be severely delayed for any reason and cannot be completed using the published progression system and situation where there are more than 64 entries in an event to determine the qualifiers for 4 heats.
9. **Maximum number of crews per race:** Generally, races will be limited to a maximum of eight crews, but in exceptional circumstances as determined by Regatta Control or the Race Committee this may be extended to nine crews.
10. **Trophies:** The Cambridge Town Cup shall be presented at the conclusion of the regatta to the club that accrued the most points on the basis of 5 points for first place, 3 points for second place and 1 point for third place with points being allocated in all 'A' finals to the first, second or third placed Club or School Crew. RNZ, RPC, Overseas or Composite crews will not accrue points toward the Cambridge Town Cup. There are no other trophies awarded at this regatta, but points earned for wins and placings will count toward clubs total points at the end of the season for the Karapiro Trophy. Points will be allocated on the basis of 5 points for first place, 3 points for second place and 1 point for third place with points being allocated in all 'A' finals to the first, second or third placed Club or School Crew. A Roll call will be taken. Should the weather be wet, then the meeting will be held in the Don Rowlands Centre and all coaches, strokes and coxswains are required to attend.
