The Regatta Programme will provide heats for all events on day one and finals on day two. Should any competitor wish to attend one day only, ie heats day or finals day, this will be accepted. On the finals day however one day competitors will be confined to remaining empty lanes after two day competitors have been catered for. There will be 4 shoot out sprint races, over 250m (from the bridge) - a single, mixed double, mixed quad and an 8, where clubs can race for a prize which will go to their club. Expressions of interest from adaptive athletes welcome and races will be organised according to interest.
