Rowing is an outdoor sport and as such is subject to the weather being suitable on any given day to conduct the regatta in a safe and responsible manner.
37. **Exclusion of all Tort Liability of Whatsoever Nature:** All due care will be taken by the regatta organisers and officials to ensure the regatta is conducted safely and efficiently. However, it remains the prime and principal responsibility of individuals participating in the regatta (either as rowers, coxswains, coaches, or other club officials) to always conduct themselves in a safe and responsible manner. This includes making sure prior to racing that their boats are safe for racing and generally in compliance with these conditions. Also, that the rowers in each crew are fit for the ordeal of racing. They must also ensure that these conditions are complied with and that the directions of the regatta officials are followed.

Further, it is a condition of participation in this regatta that all participants accept and note that no liability either in tort or any other nature whatsoever, is accepted by or will attach to the New Zealand Rowing Association, Karāpiro Rowing Incorporated, Waikato Rowing Association or the Legion of Rowers Inc. for any harm, damage, loss, costs, expenses, inconvenience, interference, of whatever nature and whatever kind, including any damage to equipment or injury to persons of whatever nature incurred in the course of, or in connection with, or in any way related to the regatta, regardless of whether any omission, wrongdoing, oversight, negligence, or other tort whatsoever on the part of any regatta official, or other person may be established.
