Instructions for getting to ski ramp:

From Levin:

Travelling towards Foxton, cross over the first bridge (the Manawatu River). Before the second bridge, turn <u>LEFT</u> off the road and follow the road down and around to the left. Follow the road along the river (to the West) until you get to the power boat clubsheds.

From Foxton:

Travelling towards Levin, travel over the first long land bridge and turn <u>LEFT</u> off the main road. Follow the road round to the left which loops under the bridge and takes you along the road (West) down to the power boat clubsheds.

If lost or confused, phone 021682510 or 0210425533

LEAVING THE AREA:

All traffic must go under the road bridge and approach the main road from the Eastern side of the highway. Please take care re-entering onto the main highway, as the bridge makes it difficult to see oncoming traffic which is travelling at 100km.
