- Entries open Monday 25 September 2017 and will close at 10.00pm Friday 13 October 2017.
- All regatta entries must be made online using the rowIT entry system. Instructions for using this system are set out on page 3.
- If you require ease of identification and clarity of Clubs/Schools entries for billing seat fees then Clubs/Schools should enter under their own rowIT code. Normal club affiliation will apply for calculation of Club regatta points for the Millennium Cup. **Otherwise, please use the entry identification system outlined on page 4. Unique school identification is important for Takapuna Cups trophy points accumulation.**
- School Crews have the option of racing in either Club or School colors. Schools entering the regatta will be identified with their rowIT entry code. (see page 4 for more detail)
- Coxswains weights are to be 55kg for all events. Crews are responsible for their own weights. Spot checks will be made by the ARA Representative following races. Crews with underweight coxswains will be disqualified. Coxswains must weigh in at least 1 hour prior to their race.
- Tent sites, as ever, are somewhat restricted at Pupuke. There will be four 'premium' sites (6m x 8m) available with unrestricted water views. Cost of these sites is \$150 plus GST. These premium sites are limited and will be allocated on a "first received" basis. If you wish to reserve one of these then please indicate so on the entry form, and include a separate payment. This payment will be refunded if you are unsuccessful.
- PLEASE NOTE – bow numbers, based on an alpha numeric system, will be available from the Secretary's caravan, and **MUST** be used to identify crews for each race.

Both Waitemata and Takapuna look forward to seeing you and your supporters at this regatta.

### rowIT Online Regatta Entry System: [www.rowit.co.nz](http://www.rowit.co.nz)

All Auckland Clubs and Schools already have rowIT logins. You should contact Andrew Carr-Smith if your logins need updating and to make sure you have the set-up that suits your club or school.

As this is still the start of a new Season clubs may need to update their Roster before making entries.

- Rowers who have been entered in regattas previously are already recorded in the rowIT database.
- All new rowers must be in the rowIT system before you make your entries.

You can either add new rowers directly to the rowIT database. Or you can now add them to the RNZ database as unlicensed or licensed members of your club or school and then import them into rowIT.

**For ease of identification of Clubs/Schools and clarity in billing seat fees we request Clubs/Schools enter under their own rowIT code. School crews that are entered under a club's code should use double-digit crew numbers for identification.**

rowIT has the ability to provide dual recognition of both club and school. This can be used to supplement the identification of schools using one of the above methods. It is done during entries by recording both school and club for a crew. Details have been provided to rowIT logins holder by Andrew

**Crew numbers** will be used for seeding crews into divisions. If you are using double-digit crew numbers the second digit is the important one. If you have a crew that is your only entry in an event but you wish to row it in an easier division (ability reasons only please!) then allocate a higher crew number e.g. AKLC 2, WESC 22, etc.

**Composite Crews** may be entered through rowIT. This is achieved by linking with another entity and bringing their athletes into your squad (then selecting a crew mix of those athletes and your own athletes). Composite crews will be identified as belonging to the entity that enters the crew e.g. a crew entered by North Shore will be a north Shore composite.

**Entries** Crews will be able to be entered into the rowIT regatta entry system from Monday 25 September 2017 and it will close at 10.00pm Friday 13 October 2017.

**Changes** Scratchings, late entries\* and substitutions can be made, via the rowIT program, from about lunchtime Monday 16 October up to Thursday 19 October. However, as the race program will be submitted in final form to the program printer on Tuesday 17 October, any changes after that will not show in the printed program. But, an amended day sheet will be available if there are any such crews.

\* Late entries will only be accepted if there is space in the program, and it does not increase the number of races.

**Day sheet** We will endeavour to provide Clubs with a day sheet early in the week before the regatta so you can check your entries.

**Tent sites** Requests should be sent direct to the Regatta Secretary and these will be allocated outside the rowIT regatta entry system.

Andrew Carr-Smith will be available assist Clubs with their entries: [andrew@rowit.co.nz](mailto:andrew@rowit.co.nz)
